Minutes of the Meeting

25

Project Meeting: Meeting of Committee of Registrars (CORE) under Rajasthan UID Project	Date	22/11/13
	Time	11.00 hrs.
Ref No. : F5 (609)/DOIT/Tech/12/....	Venue: Committee Room, New IT Building, YojnaBhawan, Jaipur	
Attendees : As per Annexure 'A'		
Meeting Brief:		
<u>Welcome Note:</u> A stock note on the enrolment progress in the various districts was taken. The meeting began by gathering the fact that State & Non-State Registrar need to work together to ensure sweep mode enrolment in Rajasthan. Detailed discussions and decisions taken are summarized below:		
1. Allocation of Tehsils to NSR: After Detailed discussions with all the stakeholders the territory allocations finalised is given at Annexure-1. The said allocations will abide by the following conditions-		
<div><div>i.</div><div>MIS reporting at the Aadhaar Portal: All NSR shall ensure daily MIS on Aadhaar portal of DoIT&C. CSVs of all the enrolments should be uploaded at DoIT&C portal regularly.</div></div> <div><div>ii.</div><div>Fraudulent & Malpractices: It has been observed that some of the operators indulge in fraudulent practices which are against the guidelines of UIDAI/DoIT&C. Non-State Registrar shall have full responsibility for such violations by its EAs and ensure stringent action against the defaulter EA. NSR EA shall establish an effective monitoring to have a check on any such malpractice by its operators. Operators found indulged in any such activities shall be blacklisted immediately. State Registrar may investigate/inquiry any such enrolments and the EA will be responsible for any malpractice.</div></div> <div><div>iii.</div><div>DMS handover and Data Quality: Non-State Registrar shall ensure that its EA handover all the documents within the prescribed time limit to M/s HP. Due efforts be made by the NSR to ensure data quality of the enrolments as per the UIDAI guidelines.</div></div> <div><div>iv.</div><div>Grievance & Escalation matrix: Every NSR EA shall communicate its Tehsils & District level coordinators to DoIT&C within a period of a week of the allocation of territories.</div></div> <div><div>v.</div><div>Review of performance: DoIT&C shall review the performance of NSR EA after 30 days and 2 months consequently of the allocation. A decision on withdrawal of allotted Tehsil(s) or allocation of more area shall be taken after these reviews.</div></div> <div><div>Note: Compliance of guidelines mentioned at i to v, shall act as parameters for future Tehsils allocation to a NSR EA.</div></div>		
2. Compliance of Multi-Registrar policy on complete coverage: As per multi-registrar policy, NSR will have to follow sweep approach and ensure 85% coverage of targeted population of allotted area.		
Meeting concluded with a vote of thanks to the Chair.
